

Family Housing Council Public Meeting Minutes
June 26, 2009

The public meeting started at 6 p.m. in the presence of the FHC president, FHC board members and employees, community aides, and some residents.

The FHC president, Bhupinder Farmaha, welcomed all attendees, and the meeting session started with pizza and drinks.

The vice-president, Adarsh Radadia, introduced the new NN distributor, Sophie Dewayani, who talked a little about yourself.

The vice-president also announced that the treasurer position is open due to the fact that Jeff Tschirhar will not be able to continue on as FHC treasurer. The president and vice-president asked the attendees to encourage friends to apply for the position.

Jeff Tschirhar talked about his experience as the FHC treasurer and his willingness to remain on the position until his replacement is found. The president and vice-president thanked Jeff for his initiative and he discussed the monthly budget.

The president asked the attendees for suggestions of future events that the FHC would organize along with the community and some of the mentioned ideas were ice-cream social, out-door movie section, and garage sale.

Some dates were suggested for the garage sale to take place on Saturday, July 18th or 25th, but they still need to be confirmed. The confirmed date, local and time will be later published and advertised to the entire Orchard Downs community.

Both president and vice-president noticed the absence of some employees and encouraged all of them to make an effort to attend the FHC meetings. They asked the employees to notify someone in case s/he can not attend the meetings.

After asking if there were any more issues the attendees would like to discuss, the FHC president, Bhupinder Farmaha, ended the meeting by thanking everyone for being present.

CORRECTION NOTE: On the Iss. 26, Vol.36, June 26, 2009 of the NN there was a mistake regarding Tholani Hlongwa's profile. She lives in the Orchard Downs community only with her son, and not with her two adopted nephews as it was published.
