Children's Art Competition at Orchard Downs

We will explore and encourage the creativity of children on **Sunday, April 5** from 2 to 4:30 p.m. at the **Orchard Downs Community Center**. Young artists will have two hours to create their poster on the theme of "PEACE." Then they will have the opportunity to exhibit their art to be judged by Professor Robin Douglas of the University of Illinois School of Art and Design. We will provide poster paper, water colors, crayons, and brushes, but we encourage the young artists to bring their own material. We invite all adults to come and see the paintings. Paintings will be judged in the following age classes: 4-7, 8- 11, and 12 to 16 years. Prizes will be awarded to winners of each age class. It is our hope that this will instill in rising young artists the hope and dream of creative expression. Please join us to celebrate their creations! Contact Community Aide Maheshi at dassanay@illinois.edu for additional details.

FHC Garage Sale

Are you moving out of Orchard Downs and need to get rid of some things? Or have you just moved in and need to buy some new household items? Are you looking for cheaper goods and articles for you and your family? Join us at our Family Housing Council (FHC) community-wide yard sale where there's sure to be something for everyone. The FHC garage sale will be held on **Sunday, March 29 outside the Community Center** from 8 to 11 a.m. If the weather will not permit, we will have the garage sale inside the CC. If you would like to reserve a table to sell items, please contact Thamilmani at thamil_006@yahoo.com to reserve a spot. Those who do not register will not be allowed to sell items. All are welcome to attend the sale.

Open House at UI Veterinary College

Visit the U of I College of Veterinary Medicine open house with your family and friends. More than 50 fun and educational exhibits and demonstrations will be displayed. The focus is on the art and science of veterinary medicine and animal-related areas, including demonstrations of dogs on the rehab program's underwater treadmill; obedience and police dog demonstrations; the Wildlife Medical Clinic birds of prey; and exhibits from area breed rescue clubs. For a list of exhibits and directions, see <http://vetmed.illinois.edu/openhouse>.

The open house is free and open to the public on **Saturday, April 4, from 9 a.m. to 4 p.m.** The College of Veterinary Medicine is located just opposite Orchard Downs at 2001 S. Lincoln Ave., Urbana. Free parking is provided, but residents are encouraged to walk there. You will know what happens behind-the-scenes at the state's only veterinary college. There will be hands-on-exhibits and learning for all ages.

While most people associate veterinary medicine with routine health care for dogs and cats, the profession offers a whole world of career options, all with one focus: improving life for people. Activities of the veterinary medical profession benefit every person in the state, either directly—by providing care to companion animals and livestock—or indirectly, through work in medical research, public health, food safety, disease surveillance, environmental health promotion, and many other areas. If you have any questions, please contact Community Aide Christine at kcng2@illinois.edu.

Community Programs

Please note that we often take photographs during community events, and these photographs may be used in a gallery online. If you do not wish to have your photograph taken, please inform the staff member at the event or contact the Family & Graduate Housing Office at famhous@uiuc.edu or 333-5656.
